

Lifeline at a Glance

LIVE LIFE ON YOUR OWN TERMS WITH LIFELINE

How Does Lifeline Work?

1

If you need help, press your Personal Help Button.

2

This activates your communicator which dials Lifeline automatically.

3

Trained Lifeline staff, who have access to vital information, immediately talk to you to find out what kind of help you need.

4

The people at Lifeline send appropriate help at once. They don't quit until they're sure you've been taken care of.

What is the Lifeline personal response service?
Friendly, caring support to allow older adults to get immediate assistance in a medical emergency or when help is needed. Since 1974, Lifeline has helped millions of elders and those with disabilities to live at home with full confidence.

Lifeline is NOT just for medical emergencies. Lifeline allows you to:

- Answer the phone without having to rush to grab a handset and risk falling
- Maintain your peace of mind knowing that help is just a press of a button away
- Feel a stonger sense of well being

How much does the services cost?

For little more than a dollar a day, you get the Lifeline Personal Response Service. You are not required to buy anything or make a long-term commitment.

Call today to get the service that puts YOU in control.
